Demon Stick ***Manual Hopper Gate Opener***

The Demon Stick is a basic, low-cost manually operated hopper gate door opener that can be carrier or mounted on a two-wheel cart (color of two-wheel cart may vary).

The Demon Stick is sold with or without a standard 4-foot two-wheel cart with a 3-foot extension bar and drive bit.

The Demon Stick features a reversible ratchet drive allowing for easy direction change and adjustable pivot mounting for most capstan levels.
